Infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.,

The institution ensures adequate availability and optimal utilization of physical infrastructure as it is critically linked to the vision of the college **“To impart higher education fruits to the people of this area”** .through technologically advanced pedagogical tools. At the beginning of the academic year need-assessment for replacement / up-gradation / addition of the existing infrastructure is carried out based on the suggestions Faculty Members of all the departments after reviewing course requirements, computer-student ratio, budget constraints, working condition of the existing equipment and also students’ grievances. The Time Table committee plans ahead for all requirements regarding classrooms, laboratories, furniture and other equipment.

- ✓ Optimal deployment of infrastructure is ensured through conducting workshops/awareness programs/training programs for faculty on the use of new technology.
- ✓ Effective utilization of infrastructure is ensured through appointment of adequate and well qualified lab technicians/system administrator.
- ✓ The optimal utilization is ensured through encouraging innovative teaching – learning practices
- ✓ The available physical infrastructure is optimally utilized beyond regular college hours, to conduct certificate courses, co-curricular activities/extra - curricular activities, parent teacher meetings, , meetings, seminars, conferences etc.,.
- ✓ It is used as an examination for UG & PG Exams and used as a Help Line Centre for DOST and TSCETS like POLYCET, EAMCET. Etc..
- ✓ College Seminar hall is used as Coaching Centre for various State Government competitive Exams like TET, DSC, Police Constable Recruitment ..etc.,
