

Awareness programs for environmental protection beyond the campus

Every year our college NSS unit volunteers visit nearby village and stay there for one week special camp and promote various environmental promotion activities.

SHRAMADANAM

SHRAMADANAM: NSS Volunteers have participated in Cleaning and removing unnecessary plants in the Upper Primary School, Neernemula

SWACHH BHARAT ABHIYAN

(a) **SHRAMADANAM:** Took up the cleaning and removing unnecessary plants on the both sides of the drainage lines of the village streets and moved the dirt outside the village with the help of tractors.

(b) **AWARENESS PROGRAMME ON SWACHH BHARAT ABHIYAN:** Took up an awareness programme in the village about the importance of keeping and maintaining the streets clean in order to stay away from the diseases and encouraged villagers to build toilets by explaining about need for toilets..

AWARENESS ON PALSTIC BAN

(a) **AWARENESS ON PALSTIC BAN :** conducted a rally against the use of plastic items in our day today life. The NSS Volunteers met all the shop keepers of the village and requested them to discourage the use of Plastic items and protect the environment.

(b) **SHRAMADANAM:** Road to Ramannapet has been cleared and cleaned by NSS Volunteers.

AWARENESS ON WATER HARVESTING AND PLANTATION

(a) **“Water Harvesting & Plantation”** : A programme was organized to bring out awareness among the villagers about the importance of “Water Harvesting & Plantation”.

WINTER CAMP INAUGURAL SESSION

CLEANING ACTIVITIES DURING CAMP
