An Astrologer's Day

I - B. com. (All combinations)

About the Author: Raghupuram Krishnaswami

Iyer Narayanaswami, also known as R.K. Narayana (1906-2001) was a prolific Indian writer who published fifteen novels and more than two hundred short-stories. He is famous for creating the fictional world of Malgudi and for portraying the Indian ethos with remarkable simplicity, heart and humour. He was honoured with the Sahitya Akademi Award in 1958, and with the Padma Vibhushan in 2001.

An Astrologer's Day, is the story of an astrologer who is challenged.

A bout the lesson ← "An Astrologer's Day"

is the story of an astrologer who is challenged by a stranger to prove his

mythic powers. As the story progresses it

is revealed that the astrologer is actually

a man who has run away from

his village after believing he has

committed a murder. The stranger, in an

ironic turn of fate, is the very man

the astrologer believes he has killed.

The astrologer goes home and tells

his wife that he has been relieved of a

great load. He admits that he is relieved

to know that he has not killed ~~the~~ a

man.
