Hands on training on HireMee

23 June 2019

TSKC of Tara Government college conducted a hands-on training on HireMee App for the UG students.

Objectives:

- To train students to use HireMee app for their employment.
- To create an employment opportunity for students
- To make an avenue for students where students could find their own path of employment.
- To train them in such a way where the students apply the know-how in finding the job of their choice.

Honourable Commissioner of Collegiate Education had reached an MoU with HireMee which works under the aegis of KAAM services private limited Karnataka. Since the Commissioner is Chairperson of Governing body of the college, it is applicable to all the stakeholders.

Against this background, TSKC of our college has motivated final year students to enrol themselves by downloading the HireMee App.

The session started with the initial remarks of the principal . This was followed by Sri A.V.Sharma, Assistant Professor of English, informing students about the session. The mentor of TSKC, Sri N. Venkata Ramana Rao has started the session by asking the student participants to download the app. He explained and trained them on how to use the app. Then, he made a few students to explain to others.
