

**REPORT ON INDUSTRIAL TOUR TO HEAVY WATER PLANT  
MANUGURU (ASWAPURAM)**

The Department of Commerce took up the industrial tour to Heavy Water Plant Manuguru (Aswapuram) as a part of curricular activity in paper BOM (Business Organization and Management) Paper Code No: ----- of Semester 1 of B.Com Programme. The students of I B.Com Computer Applications took part in the industrial tour to Heavy Water Plant

On 23-03-2021, with Permission of the principal Govt. Degree College, Bhadrachalam and prior approval of The General Manager Heavy Water Plant Manuguru( Aswapuram), conducted industrial Tour.

**OBJECTIVES:**

- To learn the practical exposure of industrial knowledge in general and the process of making Heavy water in particular for student community.
- To learn the Organizational structure & responsibilities of the Designated Officers.

**Brief Report**

The tour was organized by the department with 30 students accompanied by 7 members of faculty of the College. The industrial Trip was really fruitful and students have benefited a lot by visiting such a place and gained good industrial exposure and students learnt the importance of Nuclear Energy & uses of Heavy Water . It was conducted as a part of academics by the department of commerce with the cooperation and participation of departments of Computer Science, Botany,& Economics. The Tour was a great opportunity for the students in gaining skills and knowledge related to Industry and Academia.
