English Language Day-2021

English Language Day is observed annually on April 23. The aim is to celebrate multilingualism and cultural diversity by exploring the language.

English language Day marks the birthday and date of death of famed writer William Shakespeare.

This day makes up one of six UN-language days. In the year 2010, an initiative by the department of public information established language days for each of the organizations six official languages from across the world.

UN language days:

- Arabic [18 December]
- Chinese [20 April]

Principal
Govt. Degree College

Bilidrahalaga Kothagudem T.S.

→ English [23 April]

→ French [20 March]

→ Russian [6 June]

→ Spanish [23 April]

The English language is not only one of the six official languages of the UN but is also a language widely used for international relations in today's world.

The English language happens to be the most popular spoken language the world with more than 983 million speakers around the globe.

Facts about William Shakespeare!

William Shakespeare has been named the Bard of Avon or simply Bard. He also happens to be called the national poet of England. William Shakespeare's literary work consists of 39 plays, 154 sonnets, 2 narratives / poems and many other unclassified works.

His plays have been translated into every major language of the world and have been performed more than any other playwright. Most of his works are dated between 1589 and 1613. Shakespeare is one of those people who were born and died on the same date. April 23, 1564 and died on April 23, 1616.
