

PROGRAMME OUTCOMES (Bachelor of Arts)

The B.A. programme in the college is recognized by Satavahana University and follows the syllabus prescribed by the university. Our students are allowed to choose from any of the three subjects from the cluster of History, Economics, Political Science, Public Administration and Computer Applications. B.A. programme in our college meets the standards prescribed by general humanities education. Some learning outcomes include:

Cognitive skills: Students choosing combination of three subjects develop social, political, historic, economic and literary consciousness and will be better able to appreciate different civilizations, culture. In the three-year duration, they will cultivate the sensibility to discern the evolution of civilizations and cultures. They will also be up to date with contemporary developments and develop a sociological sensibility to critically understand the social phenomena that affects their lives. Students also learn two languages along with three major subjects. At the end of the programme, they usually will have advanced reading, writing, speaking, interpretive and composition skills in both languages.

Employability: On graduating, the students will be eligible for employment in tourism, media, hospitality, and other industries. Students also become employable in non-governmental organizations. Their skills in comprehension of general social phenomena around them places them in ideal situation for such jobs. They will also be able to appear for competitive examinations conducted for public sector jobs. The general humanities education equips them to clear competitive exams.

Values: Humanities education is designed in such a way that it lays particular emphasis on human values. Students on completion of the undergraduate degree will be better able to appreciate the literary and cultural diversity. It equips them to think critically about the issues of contemporary relevance and hold an informed opinion on them.
