

PROCEEDINGS OF THE COMMISSIONERATE OF COLLEGAITE EDUCATION
TELANGANA::HYDERABAD
Present: Navin Mittal IAS

Sub:	Collegiate Education–Government Degree Colleges-PG Courses in GDCs- Request from TGCGTA for permission to Regular Faculty to teach PG Courses-Proceedings Issued-Reg.
Ref:	1. Circular No.1/Acad. Cell/PG Courses in GDCs/2018 Dated 04.10.2018 2. Lr. From TGCGTA for reconsidering Regular Faculty to teach PG Classes dated 25.10.2019

Commissionerate of Collegiate Education has given circular, vide reference 1 read, disallowing Regular/Contract teachers to teach PG Courses offered their respective GDCs due to shortage of faculty.

Further, vide reference 2 read, TGCGTA has represented requesting to permit Regular Faculty to teach PG classes in respective subjects, after completion of their UG workload. In this regard, it is decided to allow regular teachers to teach PG classes as the PG intake is increased to 60 and, it is now feasible to run the PG courses in undergraduate colleges with adequate infrastructure facilities. And this will also motivate the feeder students at undergraduate level to progress towards Higher Education which shall be an advantage to the institution in accreditation.

Hence the regular teachers are permitted to teach classes for PG courses on the following conditions-

1. Regular Teachers can teach PG Classes only after completion of Under Graduate Workload every day in respective subjects.
2. All the PG Students attendance should be linked with the Biometric Attendance.

For Commissionerate of Collegiate Education
