Sub: Collegiate Education-Admissions Campaign-for the academic year  
2020-2021–Certain instructions issued-Reg.

Ref: **File No:** [CCE-AC/GEN/49/2020-ACADEMIC CELL](#)

In this academic year 2020-2021, due to COVID-19, everyone is experiencing a peculiar situation forced to stay at home and maintain physical distance to stay safe. In the present situation the students who have appeared for their Intermediate (+2) Examinations are promoted 100% by the Government.

To avoid the unsafe situations, students who take admission in UG Courses for this AY 2020-21, may prefer admissions in the colleges near to their residential place to avoid transportation or stay away from home, due to which the admissions in the GDCs located in rural/semi urban locations might improve.

In view of the above, the Principal and faculty (Regular & Contract) should make good use of this opportunity to increase admissions in Government Degree Colleges with un-economic strength located in the rural and semi urban locations, before the start of DOST-2020 Online admissions.

The Principal and Faculty should prepare an action plan for collecting the contact numbers of the students who have passed out during the academic year 2020-21 from the feeder colleges i.e. Intermediate Colleges/DIEOs in the vicinity of the Government Degree Colleges and reaching them to enlighten them about the Government Degree Colleges.

The total number of students in the feeder GJCs shall be divided among the faculty members and each faculty member should contact the students over phone and enlighten them about the Infrastructural Facilities, Courses and other Services Offered provided in the concerned Govt Degree College.

This work shall be taken up on daily basis, and Lecturers (Regular & Contract) should contact at least 20 students per day and submit the feedback to the Principal. The Principals should monitor the programme on daily basis. The Principals shall submit a report from the college about admissions campaign to the CCE on daily basis.

In this regard, the initiative shall be taken up immediately before the DOST-2020 online admissions.
