**Ph.D Title:** “The Expenditure Pattern of Slum Dwellers in Hyderabad On Health Care”

**Supervisor:** **Prof. K. Muthyam Reddy**, Ex-Registrar of Mahatma Gandhi University, Nalgonda.

## **Description of Ph.D work:**

The study was undertaken in slums of Hyderabad to find out the preventive and curative health expenditure of slum dwellers and the impact of their ill-health on employment and income. The study revealed that a major part of their income was spent on treatment which was causing for their poverty. It was also found that there exists imbalance in the health expenditure of different slums. The effect of ill-health on employment and income was more negative in industrial slums than the slums located in non industrial areas.
