

GRP Govt. Degree College, Bhainsa
Department of Telugu
Action Plan

Encourage the students to concentrate on Documentation and Dissemination of Cultural, Literary and Linguistic Heritage. The Department planned to arrange programs to protect the Mother Tongue (Telugu Language) and to conduct various programs to elicit the performance of the extraordinary students in various Cultural & Literary Activities to encourage them.

The Department Proposed to conduct separate programs for the students in different festival occasions. The students encouraged to utilize Telugu software and Internet to understand recent developments in the Language Technology.

The Department Planned to conduct special Seminars & Workshops by the eminent personalities of the society to involve the students in political and socio-cultural activities for helpful in unity and integrity of the Nation.

Encourage the students for Higher Education and Self Employment. Developing a holistic, effective plan for language use in the classroom

Research on language and literacy acquisition

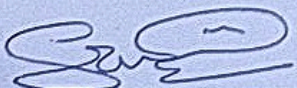

Knowing how children learn languages and learn to read is key to decision-making.

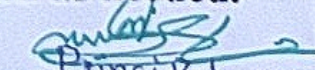

Planning for language use

Make Successful planning for implementation of wide range stakeholders and senior education officials helpful for the students.

Conduct relevant situation analysis. This includes gathering information about policies, practices, programs and education materials available, and obtaining an up-to-date language map or conducting a mapping exercise.

Develop curriculum, materials and assessments for languages Appropriate and quality teaching and learning resources for the languages for learning.
Monitor and evaluate outcomes and refine the approach as needed.
