Welcome

The Department is created to promote Collegiate Education, giving special attention to the areas located in Backward and Rural areas, to strengthen Women education at undergraduate and post-graduate levels to create educational opportunities for weaker sections of the society and to introduce need-based vocational courses replacing the conventional courses in a phased manner.

All Private colleges are requested to fill up the infrastructure details in their logins. As the Govt. and Aided Colleges have already done it they don't need to do it again.
