Work shop ON PHOTOGRAPHY AND PHOTO SHOP

DATE : 15-12-2021

I. Objectives of photography course-Work shop:

A photography course can help in many ways to improve technical skills. Students will learn how to use lenses, filters and depth in order to take the best shot. By taking a course, you'll also learn how to organize your pictures and practice lighting.

Photography is the simultaneous recognition in a fraction of a second of the significance of an event. To photograph is to hold one's breath, when all faculties converge to capture fleeting reality. It's at that precise moment that mastering an image becomes a great physical and intellectual joy.

II. Outcome of the Work shop :

Students who complete the program will be able to generate original ideas, communicate the contexts and concepts that frame and drive their work, develop their Course Outcomes are the statements that help the learners to understand the reason for pursuing the course and helps him to identify what he will be able to do at the end of the course.

The Learning outcomes are as follows:

- Learning Outcome 1: A strong sense of identity
- Learning Outcome 2: Connection to and contribution with their world
- Learning Outcome 3: A strong sense of wellbeing
- Learning Outcome 4: Confident and involved learners
- Learning Outcome 5: Effective communicators

Report on Workshop:

Activity: Workshop for Photography and Photoshop

Venue: Seminar Hall

Date: 15th December 2021

Teacher Coordinator: Mr. Rama Krishna

&

Mr. Shiva

“Photography can only represent the present. Once photographed, the subject becomes part of the past.”

The Department of Physics conducted one day workshop exclusively for the photography aspirants from the Dept. of Physics on 15 th December 2021 in Seminar hall from 10:00 pm. to 05:00 pm. The resource person for the workshop was Mr. Ramakrishna & Shiva Photographists. This workshop was planned with an aim to enhance skills towards Fashion Photography/Photo shoot for Souvenir and presentation. The workshop focused on the points to be kept in mind during photography such as light management and background selection.

Mr. Ramakrishna explained the detailed presentation on the role of light for photography & usage of DSLR camera. The selection of pixel size, image size, light management, background selection poses, focus point for shooting with the help of mobile camera and professional camera. He explained students to take care of following things before taking a photograph;

- To be attentive
- To be sensitive towards the surroundings/backgrounds/lights
- To enhance the visualization skills as learn to explore new things

Hand on experience was also given to all designers for a photo session (indoor & outdoor) through the demonstration he explained the importance of light in photo-shoot.

All the Students actively participate in the workshop and also learnt about the proper uses of Photography, Editing making video...etc. Hence, this

photography workshop was very useful for the Students who are interest at photography. Nearly 60 students attended this workshop.
