On the occasion of World Environment Day, June 5, 2002, the Department of Botany, and the Eco Club collaborated to host an awareness programme on plastic with the theme "Let us minimize our usage of plastic and conserve the environment. In this event, the hazards of plastic usage were explained and students were trained on how to make paper bags, which were then given out to the students. Students are instructed to prepare paper bags for carrying daily necessities rather than plastic bags. The self-made paper bags were displayed by students who had already been instructed in the manufacturing of plastic bags.
