

Memorandum of Understanding (MoU)

For academic and scientific cooperation

MSN Lab - Hyderabad

&

Department of Chemistry

Dr.BRR.Govt. Degree College - Jadcherla

Mahabubnagar - Dist.

PURPOSE:

The purpose of this Memorandum of Understanding (MOU) is to stimulate and facilitate the development of mutual cooperation in the field of education, according to which the Sides may jointly identify areas of mutual interest and carry out cooperative activities on the basis of reciprocity and mutually beneficial programs which serve to enhance both Institutions.

The subject to mutual consent, the area of cooperation will include the following aspects:

- *Participation in seminars, workshops and academic meetings.*
- *Jointly Conducting conferences, workshop and seminars by mutual interest.*
- *Cooperate in the exchange of information relating to their activities in teaching and research in fields of mutual interests.*
- *Joint research projects in fields of mutual interests.*
- *Joint collaboration in research programs, trainings and publications.*
- *Designing and development of teaching and learning modules.*
- *Certificate programs and projects for skill development.*
- *Quality enhancement initiatives.*
- *Collaboration in summer trainings and projects for students.*

Terms of Implementation:

- Details of the implementation of any particular exchange resulting from this MoU shall be negotiated between the two organizations.
- This MoU becomes effective on the day it is signed and remains valid for two years.
- This MoU will be renewed after two years upon the consent of both organizations.
- Any amendment or modification to the present text shall be submitted for review to the competent authorities, and shall not be binding unless reduced to writing and signed by both the organizations.
- This MoU does not bind either of the two parties legally binding rights or obligations or financially. Its aim is to promote relations that will mutually benefit each organization, this being the primary aim of academic collaboration.

In witness whereof, the organizations here to have offered their signatures.
