## Commemorating Louis Braille Birth Anniversary

Date: 08-01-2023

As part of a memorandum of understanding between Dr. BRR Government Degree College, Jadcherla, and Telugu Vision, the 213th Louis Braille Day was commemorated jointly on January 8, 2023. The event took place online through the Zoom platform and was also streamed live on YouTube.

The program aimed to raise awareness about the experiences and challenges of visually impaired individuals. Following an opening prayer, a brief biography of Louis Braille was presented. G. Lakshmi, a Political Science lecturer at Dr. BRR Government Degree College, recited a poem she had written in honor of Louis Braille.

N. Subhashini, Head of the Department of Telugu, spoke about the significance of Braille for visually impaired individuals and encouraged them to learn it as it is now integrated with iOS and Android operating systems. She also invited visually impaired participants to share their perspectives on the world through their writings to help sighted individuals understand their experiences.

After the guest speeches, G. B. Nagaraju, founder of Telugu Vision, offered the vote of thanks.

Cash prizes were awarded via UPI to winners of online and offline Braille competitions, as well as a quiz competition held across the two Telugu states for visually challenged individuals.
