EXTENSION OF ACADEMIC FACILITIES
(15-02-2020)

In order to extend academic facilities present in the college to high school students a memorandum of understanding was made between the Department of Botany, Dr.BRR government degree college, and Uday memorial school Jadcherla. Uday memorial school, Jadcherla students visited the Botanical garden. Dr.B.Sadasivaiah explained the morphological characteristics of various plants and students noted down the points. They also visited the Botany lab. Departmental staff exhibited the instruments and explained them.
